

1982 年生まれ。ボストン大学金融工学・数理統計大学院卒業。投資銀行資本市場部門勤務や IT 系のスタートアップ役員などを経て、ウガンダに移住し、JICA 入構。エチオピアにて勤務した後、現在はナイジェリア政府機関であるデジタル・イノベーション局（The Office for Nigerian Digital Innovation: ONDI）に派遣。ナイジェリアを中心にアフリカ諸国のスタートアップ・エコシステム構築支援に従事している。

After graduating from university, he worked at a financial institution, where he was in charge of raising funds for companies. He also started his own business with a friend developing apps. “Both of these experiences have been useful in my current work supporting entrepreneurs,” he says. Since 2018, he has been working as a JICA Expert in Ethiopia, providing management guidance to small and medium-sized enterprises and capacity building for government agency staff, while at the same time supporting entrepreneurs. He was born in Mie Prefecture.
