Senior Advisor on Peacebuilding, JICA (Japan International Cooperation Agency). Engaged in humanitarian emergency assistance in Sudanese refugee camps in northern Uganda and post-conflict Rwanda as an officer of International NGO. Completed a master's degree in Peace and Conflict Studies, Uppsala University. She has been involved in JICA's peacebuilding work since 1998 and has been in her current position since 2008. Her current responsibilities cover formulation, implementation and evaluation of projects and programs for JICA's peacebuilding cooperation, including Mine Actions in conflict-affected areas in Africa, the Middle East, Asia, and Colombia. In 2000 and 2001, she worked as a JICA project formulation officer in the field of mine actions and support for reintegration of the ex-combatants. Her books include " Bridging towards Peacebuilding - Reform and achievement of CMAC and South-south cooperation facilitated by JICA - ", etc.
