

Prof. Taro Yamauchi

Chairperson, Toda International Foundation

Taro is the founding Chairperson of the Toda International Foundation, which was established in December 2024. Since 2013, he has been affiliated with the Faculty of Health Sciences at Hokkaido University as a Professor. His previous appointments include the Research Institute for Humanity and Nature (RIHN), where he led the global project on Sanitation and Health from 2018 to 2022.

After completing the project, he became Director of the Center for Environmental and Health Sciences at Hokkaido University in 2022. Since 2024, he has also served as Advisor to the President of the university.

He holds a Ph.D. in Health Sciences from The University of Tokyo's Graduate School of Medicine.
