

Dr. Kevin K. KARIUKI

Vice President for Power, Energy Climate Change & Green Growth  
African Development Bank

Dr. Kevin Kariuki has since April 2020 been the Vice President for Power, Energy, Climate and Green Growth at the African Development Bank and oversees the Bank's work on the expedited and sustainable alleviation of energy poverty, including pursuit of universal energy access, as well as the advancement of climate-resilient and low-carbon development trajectory, in Africa.
